## How it works:

1. The more details you provide on this form, the better we will be able to find what you like.
2. When your bag is ready to be picked up, you will be notified by text/email. The bag will be held for one week.
3. Failure to pick up twice without notifying the library will automatically remove you from the list.
4. Please fill out the form on the back of this paper.

## For Parents:

We affirm the responsibility and the right of all parents and guardians to guide their own children's use of the library and its resources and services. If you have concerns about content, please review your child's reading material before they do.
